

Quantiles in left-right positioning of ministers in OECD countries

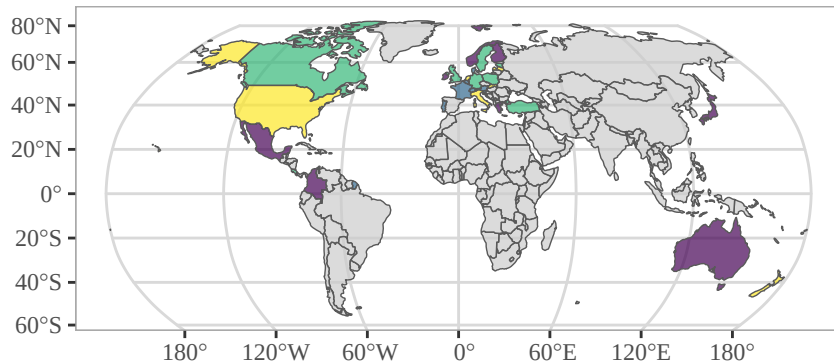

Year 1990

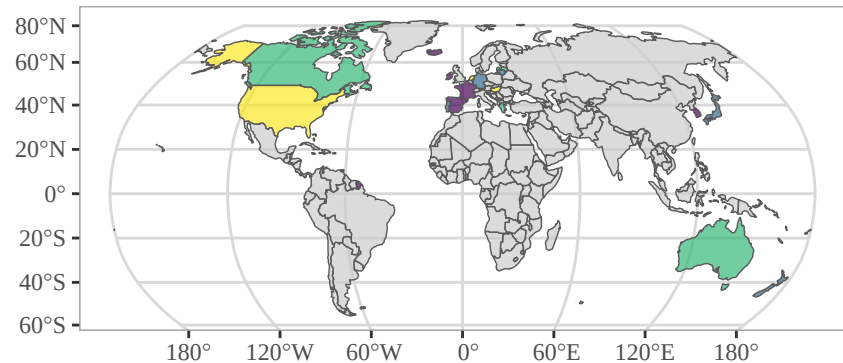

Year 2000

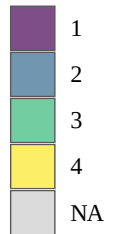

Year 2010

Year 2020

Quantiles

Source: Manifesto Project & WhoGov; 1990, 2000, 2010 & 2020.

Quantiles are computed for each year, considering the right-left positioning of the national party of affiliation of ministers, with unweighted values.
